VidGrid Quiz for Moodle Gradebook

Please select a video for your assignment.
A student won't be able to answer a video quiz until you select a video.

Search for video

Recent

Use this dropdown to change video folders

This screen opens up accessing previously created videos and videos with quiz questions in the folders stored in VidGrid

Select folder if desired video is not shown

Double click on video and it will automatically be embedded into Moodle and added to gradebook

Students will answer embedded questions and the grade will immediately populate into Gradebook at video completion upon submission
