# How to Embed a Video

You can embed a video anywhere there is a text editor. This example uses a label.

---

Select an activity or resource to view its help. Double-click on an activity or resource name to quickly add it.

Scroll down until you reach the section titled "**Resources.**"

Select the **Label** option. You can either double click on the word "**Label**," or select the circle next to it, and then click the **Add** button at the bottom of the menu.
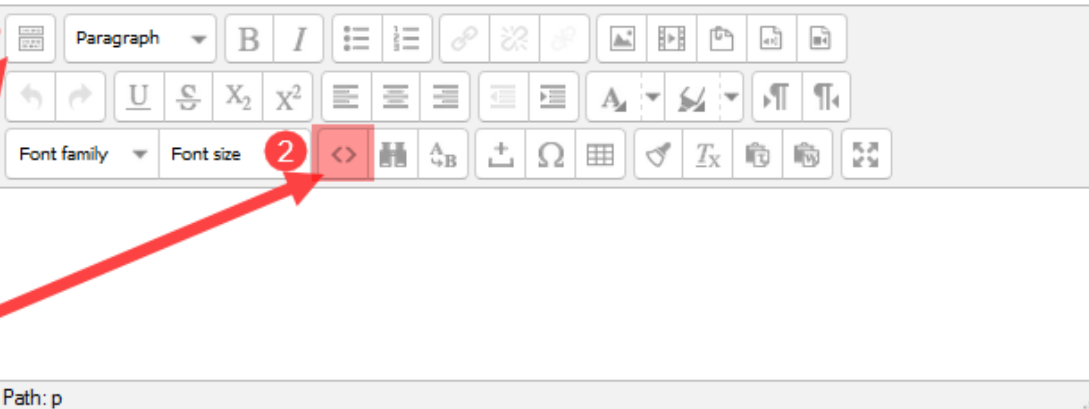

[ Add ]    [ Cancel ]

# Adding a new Label to January 16 - January 22 ❓
