

How to Add File Attachments to A VidGrid Video

You can attach a Word document, a PowerPoint, or other documents that you feel are necessary.

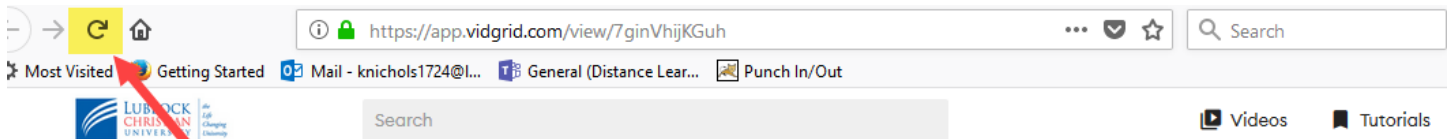

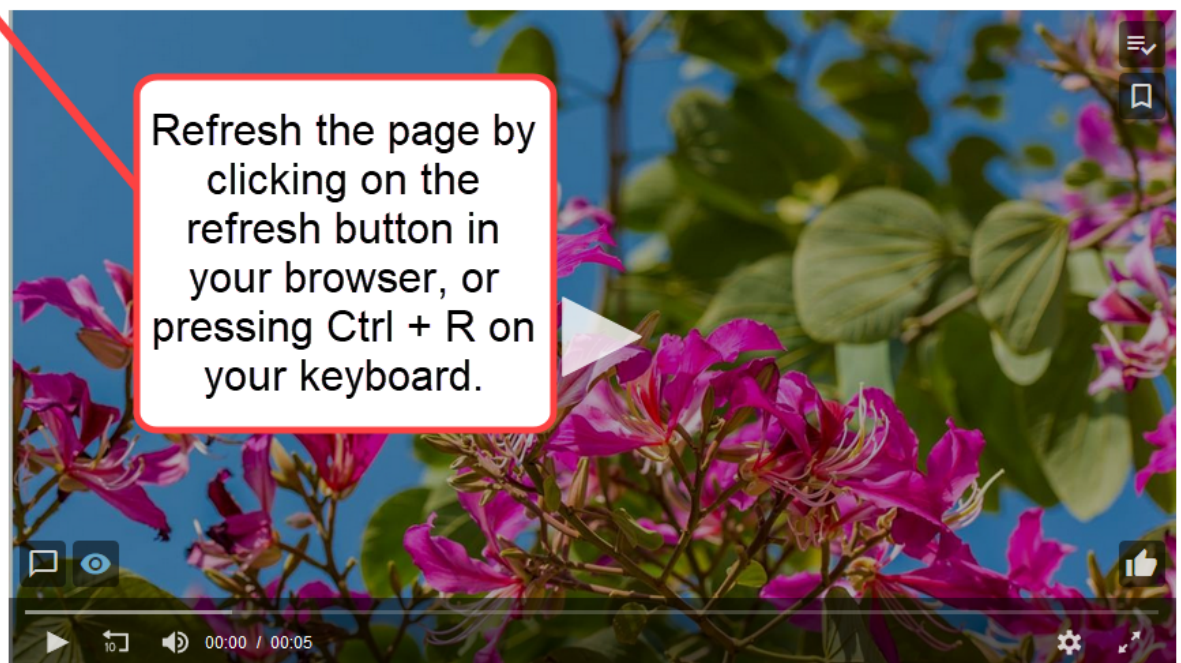

When this screen pops up, you may either click and drag your files into the box, or you can click on the box to upload the files manually.

When you have selected the file that you want to attach, click on **Done**.

Refresh the page by clicking on the refresh button in your browser, or pressing Ctrl + R on your keyboard.

Write a comment ...

The screenshot shows a video player with a video titled "Test Video". Below the video, there is a user profile "NK" with 2 videos. A dropdown menu is open, showing the video title "example presentation 3...", the upload date "Uploaded Thursday 18th of October 2018 04:33:37 PM", and a "Delete" button. A red box highlights the "Delete" button, and a red arrow points to it from a text box.
