 ADD A BLOCK

Add...

## Add an activity or resource

- ☐  SCORM package
- ☐  Simple Certificate
- ☐  Survey
- ☐  Turnitin Assignment
- ☐  Turnitin Assignment 2
- ☐  Wiki
- ☐  WizIQ Live Class
- ☐  Workshop

### RESOURCES

- ☐  Book
- ☐  File
- ☐  Folder
- ☐  IMS content package
- ☐  Label
- ☐  Page
- ☐  RecordingsBN
- ☐  URL

Select an activity or resource to view its help. Double-click on an activity or resource name to quickly add it.

Scroll down until you reach the section titled "**Resources.**"

Select the **File** option. You can either double click on the word "**File**" or select the circle next to it, and then click the **Add** button at the bottom of the menu.

When you have selected and opened your file, you can choose to change the title of the file by typing in a new title under "**Save as.**"

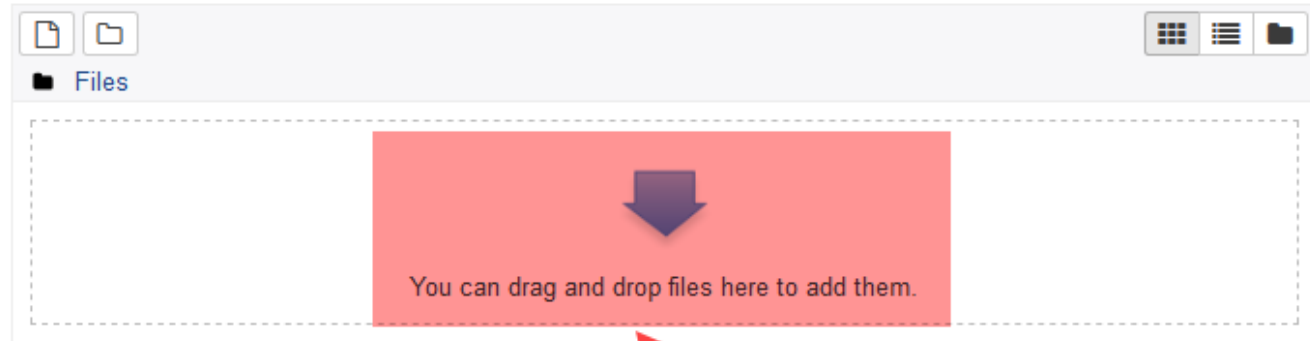

You may also change the author's name.

If you choose not to change either of these, the text box under "**Save as**" will remain empty and the course teacher will be listed as the author.

When you have finished with this window, click "**Upload this file.**"

Select files

To drag and drop your file, find the file on your desktop or your file folder. Click and hold the file with your cursor and drag it to the box with the arrow in the middle.

When the file has been uploaded into the box, it will look like this.

Select files

Maximum size for new files: Unlimited

Go through the settings, and when you have finished, you can either click "**Save and return to course**" or "**Save and display**." If you do not save, your file will not appear in your course.
